

Frigomax, a Climate Solutions Dealer, growing together with Koxka in Serbia

This Thermo King dealer, was founded in 2004, joined the Koxka Dealer network in 2007. Since then, they have carried out over 25 projects in Serbia, Bosnia and Montenegro for the most important regional retailers such as Delta and Interex.

In their new built facilities in Šabac, Frigomax designs the complete cooling systems as complete solutions for the needs of the cold chain in a supermarket, delivering and installing the entire cooling equipment.
